

CHESTERFIELD 4-H HORSE CLUB GUIDELINES

The following guidelines have been approved by the Chesterfield 4-H Horse Council for eligibility to participate in the District and State 4-H Horse Shows:

1. Attend 75% of regularly scheduled club meetings. (Absences must be excused and prior notice required. Reasons of health, transportation, and/or family emergency are the only acceptable excuses. The volunteer leader or club president must be notified.)
2. A club presentation must be made prior to the registration deadline by those planning to participate in the 4-H Eastern District Horse Show.
3. One up-to-date project book must be turned in prior to the registration deadline for the 4-H Eastern District Horse Show. (We encourage completion of the Horse Management Record book.)
4. A member must participate in one county, area, or state event other than the 4-H District Horse Show and participate in a community service project.
5. It is understood by the member, parent, and trainer, that no alcohol or drugs are permitted at any 4-H event. This includes the use of drugs on the member's animal. Violators will be excused from the event.
6. Since the volunteer leader is responsible for the actions and safety of club members, it should be understood by all members, parents, and trainers that the leaders' decisions will be final at all 4-H events.
7. Dress code and Code of Conduct will be followed at all 4-H events, meetings and activities. Violators will be excused.
